

LNV-M70S-V3 | V4

LENOVO COMPACT WORKSTATION

Lenovo

OVERVIEW

The M70S Small Form Factor workstation constantly adapts and learns from usage patterns to optimise power usage and dynamically allocate resources. Plus, the power optimisation feature enhances energy efficiency.

FEATURES

- AI-accelerated features to enhance performance
- 14th Gen Intel Core processors with up to Intel vPro Enterprise
- Discrete TPM 2.0, TCG certified, FIPS 140-2 certified
- Support up to 25 channels of live viewing per monitor @ 480P live streaming profile
- 3 Years manufacturer warranty and next business day support via phone or email

SPECIFICATIONS

	LNV-M70S-V3	LNV-M70S-V4
Processor	14 th Gen Intel Core i5-14400	
Memory	16GB DDR5	32GB DDR5
Graphics	NVIDIA T400 4GB	NVIDIA T1000 8GB
Video Outputs	3 x mDP	4 x mDP
SSD	1 x 256GB SSD NVMe	
HDD	1 x 3.5" Hard Drive Bay	
Network	1 x 100/1000Mbps Ethernet Port	
Power Supply	260 – 310W 80+ Gold Qualified	
Operating System	Windows 11 Pro	
Form Factor	SFF (8.2L)	
Dimensions	339.5mm(H) x 297.7mm(D) x 92.5mm(W)	
Accessories	Keyboard and Mouse mDP to HDMI Video Adapters	
Warranty	3 Years NBD Support	

* Hardware specification subject to change without prior warning

** All hardware are pre-staged and tested before dispatching

*** System performance is only an estimate, change to monitor, resolution and frame rate will impact the outcome
